DETAILED ACTION

Response to Amendment

1. This is a supplemental Notice of Allowance to correct typographical errors with respect to the claim identified as being allowed.

Allowable Subject Matter

2. Claims 1-4, 6-11, 13-18, 20-33, 36-39, 48, and 51 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art does not disclose the three party cryptographic communication methods as claimed wherein a double key package is distributed from a first party to a third party by way of a second party to facilitate key recovery by the third party for secure communications between the third party and second party. The double key package being generated by data being encrypted with a first party's key, sent along with the first party key to a second party to be encrypted with a second party's encryption key to produce a key package, and then encrypting the key package with a third party's encryption key to produce an encrypted key package. Further the prior art does not disclose the third party tracking the data delivery of the encrypted key package.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
